SUMMARY FINDINGS	SUMMARY OF ACTION PLAN	RATIONALE
RISK RATING: 4/5 – HIGH Multiple material corporate and individual findings within the last 24 months, compounded by a significant adverse media hit: • PROJECT DUO (Corporate): NAMESCAN (Namescan.io, Scan S2440293, 05-May-2026) — PEP/Sanctions CLEAR, but Google Adverse Media returned results linking the corporate name to the Philippine SEC's list of UNAUTHORIZED ONLINE LENDING PLATFORMS, reported by GMA Network, Reddit, BitPinas, and social media (Feb–Mar 2026). This is a material finding requiring direct borrower clarification before credit approval. Rural Bank of Cardona term loan (P5M) shows 1-cycle delays in Dec 2025 and Aug 2025 but is otherwise current. • VON AARON MAULEON (President/50% owner): NAMESCAN CLEAR (Scan S2442818). NFIS shows old PNB CC write-off (P55K, Dec 2010). CIC reveals Global Dominion personal loan (P298K) with >1 year delay, closed Apr 2024. Three active BDO/Metrobank credit cards with 1-cycle delinquencies as recently as Feb 2026. • ROBBIE BOY ARCILLA (VP/50% owner): NAMESCAN CLEAR (Scan S2442817). NFIS shows two old cancelled cards (both fully settled by 2024). CIC shows four BDO credit card accounts with 1-cycle delays between Jul 2025 and Mar 2026.	PRIORITY ACTION — ADVERSE MEDIA: Credit Ops to immediately request written clarification from borrower on the NAMESCAN adverse media finding. Borrower must explain the basis of inclusion on the SEC unauthorized online lending platform list and provide documentary evidence of resolution or non-involvement. DELINQUENCY FOLLOW-UP: 1. Request loan agreements, SOA, and/or clearance certificates for the Rural Bank of Cardona term loan and all flagged credit card accounts (Von Mauleon and Robbie Arcilla). 2. Request clarification on all CC delinquencies within the last 24 months for both principals. COMPANY NAME DISCREPANCY: 3. Confirm current registered legal name — GIS and CRIF both show 'PROJECT DUO INTEGRATED COMMUNICATIONS CORP.' while the CBR template reflects the former name 'EVENTS AND MARKETING CORP.' Update records accordingly.	Rating upgraded to 4/5 due to: • NAMESCAN adverse media hit — company linked to SEC unauthorized lending platform advisory (Feb–Mar 2026, multiple credible sources) • 3 active past-due CC accounts (Von Mauleon, Jan–Feb 2026) • 4 past-due CC instances (Robbie Arcilla, Jul 2025–Mar 2026) • Corporate 1-cycle delinquency — Rural Bank term loan (Dec 2025) • Old NFIS write-off — Von Mauleon PNB (2010)
